# Reason to celebrate in Atlanta

Gwinnett Subaru hosts event as WRXAtlanta.com adds member "555"

MEMBERS OF THE ON-LINE Subaru forum [www.WRXAtlanta.com](http://www.WRXAtlanta.com) recently gathered together at Subaru of Gwinnett, to celebrate the 555th member who joined the forum.

In honor of former Subaru World Rally Team sponsor British American Tobacco's State Express 555 Cigarettes, the number "555" has become significant for Subaru enthusiasts in general, so the 555th member was a milestone for WRXAtlanta.com. Subaru of Gwinnett was the perfect place to celebrate this event. They are an enthusiast-friendly, exclusive Subaru dealer who has been a long-time supporter of the Atlanta Subaru community.

Subaru of Gwinnett was a gracious host; they catered the event with a Mexican food buffet (favorite of

in-house tuner Scott Siegel). In addition, a raffle was held with some nice prizes going to the lucky winners in attendance. Well over 100 members of WRXAtlanta.com hung out, drooled over some of the hot rides on display and talked about Subarus. Musical entertainment was provided by a WRXAtlanta.com member who volunteered to spin records for the crowd.

WRXAtlanta.com founder Alexander Kell and anchor member Milind 'Milo' Borkar helped organize the event. "No community I have been a part of is this enjoyable, active or willing to help...We believe in what we are doing; we all share a passion," Alex said.

The following day WRXAtlanta.com and Siegel Racing co-hosted a track day at Talladega Grand Prix Raceway. Scott offered ride-alongs and basic instruction

to those in attendance. The 1.3 mile road course circuit is located a short drive from Metro Atlanta.

WRXAtlanta.com is a place for Subaru owners and enthusiasts alike to communicate about local install days, motor sports events, car shows, etc in the Atlanta area. It has also become a tightly-knit community of Subaru brethren who look out for one another with advice and camaraderie.
